

2011 SPECIAL

POMERANIAN CLUB OF CANADA & POM

The Pomeranian Club of BC and the Pomeranian Club of Canada held their specialties September 23rd and 24th with the Mt Cheam Canine Association. The committees worked very hard putting these specialties together and Pomeranians had 5 sets of points available, and a few dogs completed their titles.

I have to rave for a moment about the trophies-both specialties offered amazing stuff! Top wiers at the Pom Club of BC took away items such as a Pom Wall Clock, highly prized crate grooming table tops, and the cutest puppy cake (full of things every puppy owner wants)!

Pomeranian Club of Canada went with the theme "It's A Jungle Out There" and ran with it!!! The sweeps prizes were jungle fabric grooming and scissor bags with really handy microspray bottles-all with a bit of bling! The regular classes received wonderful jungle themed beds and toys, the bigger winners had really neat camp chairs with side tables and BB also had a screen tent to take home. Seriously ladies-you outdid yourselves!!! It was a lot of fun and my congratulations on a wonderful job by all!
