Win this gorgeous handmade Pomeranian Doll!!

We are very excited to be able to have one of these very rare and highly collectable, handmade Pom "dolls" valued at \$350 and made exclusively for us as 2009 Pomeranian Club of Canada Specialty fundraiser.

This guy is so lifelike it's amazing! A unique piece of art, every Doll is handmade in St. Petersburg, Russia by animal artist Yulia Maltseva. Made from a high quality faux fur, with realistic eyes and nose carefully sculpted by hand, he stands approximately 7" tall, and looks like he could walk into the ring and win Best in Show!

Tickets are \$5.00 each, or 5 for \$20.00

They can be purchased by anyone anywhere in the world until one week before the Specialty by regular mail using a check or money order; PayPal (to russiandoll@pcoc.net); or email transfer (to russiandoll@pcoc.net).

Drawing will be made at the Specialty on August 16th 2009 immediately after Best of Breed. The winner will be posted on the site of the Pomeranian Club of Canada on the 17th.
